To Whom It May Concern:

We hereby declare that the EIM-Module (Ethanol Isotope Measurement), which is produced by SG Isotech Company, is installed at our facility (Cornell University Stable Isotope Laboratory), Ithaca, New York, United States. The SG Isotech's EIM-Module is operational and connected to our instrument (Isotope Ratio Mass Spectrometer) and is used for scientific research.

Sincerely,

A handwritten signature in black ink that reads "Kimberlee J. Sparks".
